

Caregiver OF THE MONTH

SHARON HENSEN has been named Moran & Goebel's March Caregiver of the Month

Sharon Hensen has been a CNA for Imboden Creek Living Center for the last 17 years, working daily with residents and their families. She is dedicated, devoted, caring and thorough with every resident she cares for. The care she provides is gentle, loving and individualized. When she is caring for her residents, her focus is always on them. "I enjoy talking to our residents and I have learned a lot from them. They have a lot to offer. It is easy to form special bonds with them and their families. I really love my job," says Hensen.

The families of the residents at Imboden Creek also appreciate her. She knows them each by name and extends her care and personal touch to them as well. Co-workers refer to her as selfless because she realizes that the care of the residents is everyone's job and she doesn't limit herself to just her assignment.

In appreciation and honor for the selfless giving of Sharon and the many others like her, Moran and Goebel Funeral Home recognizes Caregivers with an award that acknowledges the amazing work they do each day.
